To The Secretary to the Government of Madras,

LAW (GENERAL) Department.

Cotacmunda.

Sir,

There was recently an occasion in which the -----
 irregularity of Medical Officer in his visits to the Sub-jail
 at Karkal, in contravention of the provisions of rule 27 of
 the rules under the Prisons Act, had to be noticed by the ---
 Joint Magistrate, Kundapoor. The Medical Officer who is the
 Civil Assistant Surgeon at Karkal represents that like his
 predecessors he has been visiting the Sub-jail regularly once
 a week and at other times only whenever called upon by the
 Superintendent of the Sub-jail and the Sub-jail being nearly
 two miles away from the Hospital, it is difficult for him
 to attend the Sub-jail daily and attend the hospital work in
 time. This difficulty becomes greater in the monsoon-----

X

02
months when rain in those parts is heavy and continuous. He therefore suggests that either rule 27, referred to above may be relaxed in his case or he, given a carriage allowance at least during the monsoon months. The Dt. Medical Officer supports this proposal.

2. I do not think that the rule requiring Medical Officers to visit Sub-jails daily can be relaxed. As regards the other alternative suggested by the Medical Officer, it seems to be a reasonable one. The Sub-jail is in fact two miles away --- from the Hospital and the town proper. The Medical Officer will have especially during the monsoon months to engage a carriage daily if the hospital work is also to be regularly attended. The Medical Officer claims a monthly allowance of Rs 45/- for 4 months from 1st June to 31st October at --- Re.1-8-0 per day. The Dt. Medical Officer however suggests that it is enough if the Medical Officer inspects the ----- Sub-Jail twice a week and recommends a carriage allowance of Rs 15/- a month from 1st June to 30th September. In case the Government has no objection to relax the Sub-jail rule ----- regarding the Medical Officer's visits, I submit that the --- Dt. Medical Officer's proposal, regarding the allowance, which is quite reasonable in itself may be accepted and the allowance sanctioned with effect from the current year.

Your obedient servant,

Le Hunt

✓ With reference to Law (General) Endorsement
No. 2890 C-1, dated the 22nd May 1926, I have the honour to
state that no special allowance is recommended. The average
daily population of the Subjail is small - viz., 3.36. It
will suffice if, during the monsoon months, the Medical Officer
visits the Subjail not less than twice weekly provided that
he pays more frequent visits if health and sanitary condi-
tions necessitate them.

Sir,

Reference:- Government Endorsement No. 2890-2 C dated
22nd June 1926.

With reference to the above, I have the honour to state that as the Inspector General of Prisons considers that the Sub-Assistant Surgeon need not pay more than two regular visits a week, I consider that a special allowance is unnecessary but I recommend that as the hire of a conveyance during the monsoon months is essential he may be permitted to draw the actual cost of hiring a conveyance during those months under rule 47 (b) and 61 of the Madras Travelling Allowance Rules.

Sub-jail at Karkal, South Kanara District -
Inspection by medical officer- grant of
allowance.-D.M's letter dated 1-5-26, I.G's
letter d.7-6-26, ~~no 443~~

U.S.

The I.G. considers that it will be sufficient if during the monsoon months the medical officer of the station visits the sub-jail not less than twice a week provided he pays more frequent visits if health and sanitary conditions of the jail necessitate them. But he recommends no special allowance to the medical officer - page 4 c.f. The ^{District} medical officer and the S.Kanara, however, consider that a carriage allowance of Rs. 15 per mensem for two visits a week to the jail for a period of four months (1st June to 30th September) is reasonable - page 2 c.f.

2. Attention is invited to the I.G's letter to the S.G. dated 2-9-1920 on page 9 of G.O. No. 550 L.G. dated 1st March 1922 from which it will be seen that on disciplinary and sanitary grounds a daily visit to the sub-jail by the medical officer was considered absolutely necessary and that for this reason rule 27 ~~xxxx~~ of the Sub-Jail Manual was amended. In that case also the I.G. did not recommend the grant of an allowance to the medical officer; the S.G. ~~however~~, said that he could not recommend the conveyance allowance owing to the financial situation. Before relaxing the rule in the present case as recommended by the I.G. ^{& I.D.M.} ~~and disallowing the allowance to the medical officer,~~ the S.G. may, perhaps be consulted. A draft reference to the S.G. is submitted for approval.

Please see the S.G.'s reply on
 7 of the Cf.

Both the S.G. & the J.G.

seem to be satisfied that it
 will be enough if the Sub-
 asst Surgeon visits the
 Subjail twice of a week
 instead of daily & that
 no allowance is necessary.
 The S.G. recommends the grant
 of actual conveyance hire
 for the days of the visit.
